

Tips and tricks for completing the video screen.

- You will need access to a webcam and microphone to conduct this interview.
- You cannot complete the video using mobile devices.
- We suggest conducting this interview in a well-lit area that is relatively quiet.
- We also recommend using google chrome as your web browser.
- You have the option to take a practice interview or to start the interview.
- When you start the interview please observe the Prep Time and the Interview Time. The prep time is the amount of time you have to prepare your answer. The interview time is the amount of time you have to answer the question.
- You have 30 seconds prep time for each question. DO NOT start recording during the prep time as you responses will be cut short. The timer will count down from 30 seconds to 0 and a red frame will appear on the screen to let you know you can start recording your answer.
- Please observe the record time remaining in the top right hand corner of the screen in red. This lets you know how much time you have left to record your answer.
- You can stop recording at any time once you have you have answered the question.
